# SAKE

## SAKE

Sake presents unique characteristics at different temperatures. Each sake has its own optimum temperature, and this will vary, with the quality of the sake, the season, as well as the consumer's personal preference. Chilling sake which is refreshing and aromatic will maintain its delicate flavours and aromas. Warming a robust and rich sake will increase the softness and umami fragrance.

100ml/ 300ml/ 720ml

### Akashi-Tai Honjozo Kuro

8/ 24/ 48

Hyogo prefecture. Classic and pure. Shows layers of aromatic rose, rice and umami on the nose with minerality and smoothness on the palate

Chilled or Warm

### Urakasumi Honjikomi Honjozo

10/ 30/ 60

Miyagi prefecture. Classic and elegant with a touch of fruitiness. Smooth and creamy texture would go all the way through and complete with clean finish.

Chilled or Warm

### Rihaku "Dreamy Clouds" Junmai Nigori

13/ 39/ --

Shimane prefecture. This is a cloudy, 'country-style' sake that has nutty aromas, a nigori sake which means it contains rice particles. It is full-bodied and textured.

Chilled

### Kameman "Red Rice" Junmai

13.5/ 40/ --

Kumamoto prefecture. Slightly polished to retain colour and protein and gives savoury aromas of soy and mushroom, on the palate it's all about red fruit, prune and plum.

Chilled

### KEIGETSU Aikawahomare Tokubetsu-Junmai

15/ 45/ 67

Kochi prefecture. Made of rice from the mountain. The nose leads with honeydew melon and sweet chestnut paste. The palate is round and silky with yellow peach on the finish.

# DUCK & DOM PÉRIGNON

## PEKING DUCK

Succulent, rich and full of flavour. Many wines and Sake combine well here. What is important is to choose a wine with mild acidity and a hint of sweetness to accompany the plum sauce.

Dom Pérignon

Made only from the best grapes, Dom Pérignon is a vintage champagne only. Each vintage is a true act of creation, singular and unique, that expresses both the character of the year, and the character of Dom Pérignon.
